This is a great opportunity to join Butts Mill Farm's Covered Bridge Days Festival,
Antique Auction and Bingo Barn

September, 2010: was our first festival. Being the "New Kid on the Block" as festival go, it was a success. The friendly attitude and quality of vendors' wares contributed to the success. Butts Mill Farm will continue to select and accept only quality vendors for future festivals.

September, 2010, April, 2011 and September, 2011, attendance was 1500- 2,000. And feedback from our vendors and visitors has been positive. Marketing and advertising, through outdoor signs, radio, print, websites is strong.

We are moving forward with Spring and Fall festivals in 2012, we hope you will be available to join us. At present, 70% of our original vendors are returning. And we are already receiving additional vendor applications for Spring, 2012. Our goal is 60 plus vendors and demonstrators, and over 3000 visitors for the Spring.

Butts Mill Farm and Pine Mountain, Georgia are a well established tourist area.
